<sup>2</sup> On July 1, 2020, the Canada-United States-Mexico Agreement (CUSMA) came into force, replacing NAFTA. The Government Procurement Chapter of CUSMA will not apply to Canada. NAFTA will not apply to any Canadian procurements that commence on or after July 1, 2020; NAFTA will continue to apply to procurements that commenced prior to that date, until those procurements are complete. As the CUSMA chapter on government procurement applies only as between the United States and Mexico, the WTO thresholds will apply as between Canada and the United States and Canada and Mexico.
