

## The virtual front door to all your corporations' minute book

FasCorp is a turnkey corporate secretariat program ensuring annual maintenance of your corporation and enabling you to access your data online.

A quick and simple solution that is available 24 hours a day, 7 days a week.

**A single point of access for all your minute books.**

Are your corporation minute books kept at the office? Do you need to review them right away without an intermediary?

Look to FasCorp for real-time access to data related to your corporation's minute books.

Contact us at [infofascorp@fasken.com](mailto:infofascorp@fasken.com) to learn more, including about our full annual corporate maintenance service, available in addition to access to the software.

**Accessible. Quick. Agile. Efficient.**

Access your corporate documents without an intermediary, simply and efficiently.

From the office or remotely.  
Any time of the day or night.

### FasCorp Benefits

360° annual maintenance service at a fixed price

Quick virtual access to your minute books, as well as summary sheets and emailing options

Quick and secure 24/7 access, including a collaborative data room and IT support

Ability to produce custom reports

Fasken's strength: a program managed by our experienced team

### Certification ISO27001

Fasken continues to take a comprehensive and consistent approach to managing information security risks that may affect the confidentiality, integrity and availability of the Firm's and its clients' information.
